IDOL MINDS - 1.

Hello.

**MARGO**

RONNIE jumps and twists around.

Uhm...hi.

**RONNIE**

Know who's grave the cops are snoopin'?

**MARGO**

RONNIE shakes his head.

Dominic Lourdes. Was anyway. Somebody snatched him. Isn't that awful?

**MARGO (cont'd)**

RONNIE nods.

I put flowers on his grave every week. (smiling) I put flowers on all the famous graves.

**MARGO (cont'd)**

No kidding?

**RONNIE**

What? You don't believe me?

**MARGO (defensively)**

No, it's just...

**RONNIE**

I do it every fuckin' week! To every fuckin' one! You think I'm a liar?

**MARGO**

No, no. Take it easy. I believe you.

**RONNIE (getting up)**

She crowds him.

**MARGO**

Some of them would never have flowers if I didn't do it. That's so sad. Don't you think that's sad?

**MARGO (cont'd)**

He nods.

They were big stars. Like Janet Gaynor. She won an Oscar. Did you know that?

**MARGO (cont'd)**

RONNIE shakes his head.

Of course you don't. You don't care. Nobody does. Nobody but me. But I've got a connection. I can feel them. Especially at night. Have you ever been here at night?

**MARGO (cont'd)**

RONNIE shakes his head.

Oh, God, it's wonderful. So quiet and peaceful. It's spiritual, you know? I walk around naked sometimes when it's warm. They like that. Not just the men. A lot of them were bisexual. And lesbians. This place is LGBTQ-friendly, you know?

**MARGO (cont'd)**

Except for the dead part.

**RONNIE**

I'll show you everybody. We'll come back tonight.

**MARGO**

I don't think...

**RONNIE**

Come on. You're a good looking guy. You can walk around naked. Monty Clift'll like that.

**MARGO**

Who?

**RONNIE**

You never heard of Montgomery Clift?

**MARGO**

RONNIE shakes his head.

**RONNIE**

**MARGO**

**RONNIE**
