

Ronnie, do you fantasize about me?  
**BELLA**

What? No, you're Scott's girl.  
**RONNIE**

What does that have to do with fantasies? Come on, tell me.  
**BELLA**

I just did.  
**RONNIE**

*Ronnie.* We're mature adults. We should be able to talk about this. Come on, be honest.  
**BELLA**

little.  
**RONNIE** (reluctantly) Alright. Maybe a

Really? What did you fantasize?  
**BELLA**

Bell.  
**RONNIE** (groaning)

Come on. I want to know.  
**BELLA**

I can't. It's too... How'd you like talking about your fantasies?  
**RONNIE**

I'd have no problem. And if they had something to do with you, I'd feel obligated.  
**BELLA**

You would?  
**RONNIE**

Of course.  
**BELLA**

Huh. So do you fantasize about me?  
**RONNIE**

No you don't. I asked first.  
**BELLA**

See? You don't like it. I'm not answering until you do.  
**RONNIE**

BELLA considers her options and...  
**BELLA**

Okay, you win. I have. You happy? Now it's your turn.  
**RONNIE**

Whoa, whoa. Hold the phone. Not so fast. I wanna know what we did.  
**BELLA**

RONNIE, it's not what we did so much as how we did it. Women are different than men. Their more romantic.  
**RONNIE**

That's not what *Cosmo* says. I read an article that said women fantasize about being ravished by black guys with big cocks.  
**BELLA**

Ravaged.  
**RONNIE**

See? You know better than me.  
**BELLA**

I don't kn...! RONNIE, how is it you practically swallow your tongue talking about your fantasies, but turn into Dr. Drew talking about mine?  
**RONNIE**

I'm just tellin' you what I read. Like mature adults.

Well stop quoting *Cosmo*. I don't know why you read that crap.

**BELLA**

**RONNIE**

It was the only magazine in here.

**BELLA**

That doesn't mean I fantasize about big black cocks. Not that I'm prejudiced. I dated a black guy once. In high school.

**RONNIE**

Really?

She nods.

**RONNIE (cont'd)**

Did he have a big cock?

**BELLA**

He did actually. But, that's not the point. The point *is*, the point I was trying to make before we got off on this big cock theme is I'd like to have money to buy some nice things.

**RONNIE**

Well, you will. When you get your share.

**BELLA**

There. Right there, that's what I...I want to discuss. I take it Scott talked to you about this? The split?

**RONNIE**

Sure.

**BELLA**

And you're okay with it?

**RONNIE**

Sure. 50/50's cool.

**BELLA**

50/50?

**RONNIE**

Uh huh.

**BELLA (sighs)**

That's what I thought.

She takes a sip of wine.

**RONNIE**

Bell?

**BELLA**

Hm?

**RONNIE**

Don't you think this...that Scott might get mad about this?

**BELLA**

You mean me in here?

**RONNIE**

Uh huh.

**BELLA**

Maybe. But, you'll protect me, right? Like before?

**RONNIE**

I guess. But I'd rather not be buck-naked.

**BELLA**

It'll be fine. Now let's get back to the share business. What are you going to do with it?

**RONNIE**

I don't know. Haven't thought about it.

**BELLA**

Then why are you doing this?

**RONNIE**

Scott asked me. We're buds.
