

Bella/Ronnie/Lizard

IDOL MINDS - 1.

Oh, say does that star spangled banner yet
wave, O'er the land of the free,
And the home of the brave.

Christ. That was like gettin' my ears roto-rootered.

Is that something Dominic sang?

(shrugging)
I don't know. I just know all the words.

Don't you know anything more contemporary?

That's contemporary. They sing it every day at the ballpark.

She means' top forty, Boo. But hold on a minute.

I gotta do somethin' about that smell.

Hey, I know a newer one.

Let's get crazy,
Yeah just kick up your heels,
Don't miss out, time to shout, Always keeping it real, Let's
get crazy.

Is that a Hannah Montana song?

Uh huh.

That's so wrong in so many ways, Boo.

Hey! What are ya doin'?

Closin' the shit house door.

You're not supposed to spray that on people!

Don't be a chicken-shit.

God dammit! Stop!

RONNIE
(singing)

He beams.

LIZARD

BELLA

RONNIE

BELLA

RONNIE

LIZARD

(she heads for the kitchen)

RONNIE
(sings "Let's Get Crazy")

Lizard returns with a Lysol spray can.

LIZARD

RONNIE
(smiling)

LIZARD

She sprays him.

RONNIE
(jumping back)

LIZARD

RONNIE

LIZARD

She sprays him again.

RONNIE
(he runs away)

A few sprays won't kill ya.

LIZARD
(she chases after him)

Cut it out!

RONNIE

There. Take a whiff.

LIZARD
(stopping)

He sniffs the coat.

Better?

LIZARD
(cont'd)

Not much.

RONNIE

Bell?

LIZARD

If you want him to smell like the Tidy Bowl man.

BELLA

I'll be lucky not to get cancer.

RONNIE

He starts to remove the coat.

BELLA
(grabbing her phone)

Hold it! Lemme take a picture.

He GROANS.

BELLA
(cont'd)

Gimme a nice pose. Put your hand on your hip.

He does it listlessly.

BELLA
(cont'd)

Now stick your hip out and bend your knees, pointing at the ceiling.

He does, looking ridiculous.

BELLA
(cont'd)

I'm looking for sexy, not crippled, Ronnie.

He adjusts.

BELLA
(cont'd)

That's better. Hold it.

She snaps a picture.

BELLA
(cont'd)

This is as much fun as visiting his mansion.

LIZARD

What was that like?

BELLA

It was awesome. It's like entering a cathedral, with marble and brass and gold. You could feel his presence, you know? (She looks at a picture) Wow. You look pretty good, Ronnie.

LIZARD
(curling her body around him)

Hotter than a Channing Tatum tan, Boo. Take one of us together.
