

Side 4

MEGAN

But given how little Amy has accomplished in her life, I think we can all appreciate why she might be resentful of other people's success.

AMY

Goddamnit, will you stop ridiculing me? *(angry)* Don't you ever get tired of it?

PRISCILLA

Everybody. *(makes the timeout sign)* Can we all just settle down?

MEGAN

Lighten up, Amy. *(laughs)* It's just big sister teasing you. *(to PRIS)* More drink, please.

AMY

Are you guys getting all this? *(seething)* I mean, do you see what she's doing? *(slightly desperate)* Murray...do you see it? Do you see how much she enjoys humiliating me?

MURRAY

(trying to be diplomatic)

Well... I'm not really sure what...um...

MEGAN

(cuts him off)

I doubt that Murray and the Count want to hear a list of your complaints.

AMY

Maybe not, *(louder)* but they sure as hell didn't come here to listen to some blowhard spew her egotistical bullshit!

MURRAY

You know what? *(very uncomfortable)* Maybe we should go.

AMY

No, don't leave. Please. *(earnestly)* I need you to stay.

LUIGI

Murray's right. We should probably head out. After all, tomorrow's a big day.

MEGAN

Why? *(to LUIGI)* What's going on?

LUIGI

(freezes in panic, realizes he's screwed up)

Pardon?

MEGAN

You said tomorrow's a "big day."

LUIGI

(plays dumb)

I did?

AMY

Oh, Jesus.

Side 4

MEGAN

Yeah, you did. *(flatly)* So what's happening tomorrow?

MURRAY

(in a panic, loudly blurts out the first thing he can think of)

We're going fishing!

LUIGI

(jumps, in awkwardly)

Yep, a big day of fishing tomorrow.

MEGAN

Ah, fishing. *(pleased)* Actually, I took a class in Ichthyology as an undergrad. A fascinating subject, fish. Remarkable creatures really. Well worth the study. *(pleasantly)* So what's the plan, fellas? Fresh water or deep sea fishing?

MURRAY

We're not sure yet.

LUIGI

Yeah, we're not sure.

MURRAY

Maybe both.

LUIGI

Yeah, we might switch off...do a little of each.

MEGAN

(studies them a long moment)

You don't look like fishermen. *(thinks)* You look more like...I don't know...bowlers.

MURRAY

Well, hey, *(overly cheerful)* we like bowling, too.

LUIGI

We love bowling.

MURRAY

...but we mainly like fishing....

LUIGI

Yep, fishing first...then bowling *(decisively)* In that order.
